

Exciting News! Our East Belleville Branch Will Relocate to a Newer Building This Summer.

Dear Member,

We would like to take this opportunity to thank you for choosing Scott Credit Union for your financial needs and to announce great news.

We will be relocating our East Belleville Branch this summer from our 648 Carlyle Avenue location to a newer building at 2020 N. Belt East in Belleville, practically across the street. We are planning to open at the new location on June 10.

We are excited to be moving to the 17,616 square-foot location that will allow us to provide you, and all of our members, a better experience.

The new SCU branch will feature a traditional teller line, plenty of office and meeting space, as well as five drive-up lanes and a lane for a 24-hour drive-up ATM.

This move is an example of our continued focus on our Illinois market and, in this case, specifically our membership in St. Clair County.

The new location will also allow us room for expansion. Along with the branch staff, SCU will relocate about 20 other employees to our new office.

This change is being made to enhance the experience for members that currently use our Carlyle Avenue branch and to advance our strategy in the best interest of SCU's overall membership.

We remain committed to meeting your needs in every way we can and to providing you with the best value. We will continue to help you earn more on your savings, pay less when you need to borrow and avoid paying the high fees that most financial institutions charge for services.

Thank you for your membership with SCU. We look forward to serving you at our new East Belleville Branch in the future.

Sincerely,

Frank M. Padak
