

# Address Change

**If your contact information has changed, use the Address Change feature within SCU Online to update your account records at Scott Credit Union.**

**This feature saves you time – no phone calls or a trip to the branch needed!**

# Step 1 – Select Address Change from under Services in the Navigation Menu

Choose the desired account number from the dropdown menu, then click Continue. Note – if you have multiple accounts at SCU, you will need to repeat this process for each account. Also, if you only have one account at SCU this screen will not show and you will go straight to Step 2.

System Notification of Maintenance ×

## Address Update

Select which Member Number you would like to update an address for:

# Step 2 – Update Information Fields

Make any necessary changes to your street address, phone numbers, and/or email address and click Submit when finished .

If you are making changes to your address or other information on this page, be sure to change your information on the Secure Delivery page. This will ensure that all of your profile information is updated in our system. To view the Secure Delivery page, go to the Preferences tab in the main navigation. Then click on Security and select the Secure Delivery tab.

**Contact Info successfully updated!**
